Trusted risk management specialists covering the whole of New Zealand.

About Manage Company
The Manage Company is a national based risk management firm that started in 2011. Originally known as ManageACC specialising in ACC risk the firm has evolved to cover four distinct yet related genres. Manage Company are the trusted advisors to numerous stakeholders and can be regularly seen on the seminar circuit providing insights and solutions to the every day challenges businesses face. Managing Director Martin Wouters states “we are of the belief that businesses are not well presented in these risk areas as evidenced by the fact we can reduce ACC levies by over 23%. Our aim is to provide our clients and stakeholders with the guidance and advice that allows them to make strong decisions in their businesses”.
